*The above recommendation is on the basis of expected print volume & cartridge cost/yield. The printers can print higher loads as well.

[^]Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent upon physical environment and distance from access point. Wireless Operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer, App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See www.hp.com/go/mobileprinting for more details. Requires a wireless access point and internet connection to the printer; Services require registration.

[#]HP Printables availability varies by country, language and agreements and may require a firmware upgrade. Not all HP Printables can be set up for automatic delivery and not for all printer models. For details, visit : www.hp.com/go/hpconnected/help/printables.

Free Installation

₹ 11,422⁶/₹ 13,120⁶/₹ 13,918⁶/₹ 15,882⁶

¹When used in accordance with setup instructions. ²Wireless direct printing is supported on the 5820/5821 model only. Mobile device needs to be connected directly to the Wi-Fi Direct signal of a Wi-Fi Direct-supported AIO or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. ³Either after first page or after first set of ISO test pages. For details see hp.com/go/printerclaims. ⁴The HP All-in-One Printer Remote mobile app is supported on the 5820/5821 model only. Compatible with iPhone 4 and later, iPad fourth generation, iPad mini, iPad Air, iPad 5G using iOS 7 or later, and mobile devices using Android™ 4.0.3 or later. Features controlled may vary by mobile device operating system. For mobile scanning, device camera requires 5 megapixels or greater with autofocus capability. ⁵Average page yields and costs per page are based on continuous printing of ISO 24712 test pages and manufacturer recommended price of replacement ink bottles. Cost of other replacement parts excluded. To print content with black and colour, all four inks must be present for combined cost of 29 paise per page. Actual page yield and cost per page vary based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information, see hp.com/go/learnabouthsupplies. Whichever is earlier from the date of purchase.

For Small Offices with Big Business Needs

HP OfficeJet Pro 6000 Series^o

Introducing Original HP Toner cartridges with JetIntelligence

More. Pages, Performance, and Protection—exclusively from HP.

Give your business more professional-quality pages, peak printing performance, and the added protection of anti-fraud technology—something the competition simply can't match. Only Original HP Toner cartridges have JetIntelligence.¹

Page maximiser technology

- Up to 33% more pages per cartridge than previous generations of HP toner cartridges¹
- Smaller, more robust parts²
- Less cartridge wear²

ColorSphere 3 toner

- Low melt core = faster print speed and HP legendary quality
- Hard shell = durable toner for higher yields

Anti-fraud technology

- Your HP LaserJet printer or MFP helps you identify the difference between Original HP and used or counterfeit cartridges as soon as they are installed
- Supports policies you set for your printing fleet

Print gauge technology

- More dependable gauges³ to ensure you get the most prints possible from your cartridges

Automatic seal removal

- Skip a step—the toner seal is automatically removed for you
- Get right to printing without delays

¹Based on cartridge yields for HP 131A and 507A compared with HP 201X and 508X Original HP toner cartridges. For more information, see hp.com/go/learnaboutsupplies. ²As compared with previous generation of HP LaserJet toner cartridges. ³As compared with cartridge gauges for predecessor products.

* The term "Intro" in the table refers to introductory cartridge/toner accompanying the mentioned printer and these may yield lesser pages than replacement or after market cartridge/toner. The term "full" in the table refers to cartridge/toner that provide similar page yield as replacement or after market cartridge/toner. The above declared cartridge yield is in accordance with ISO standards 24711 and the toner yield is in accordance with ISO/IEC 19752. For more information visit www.hp.com/go/pageyield
