Make every message come to life.

QBN Series UHD Commercial Displays

When your messages are ultra-realistic, they're ultra-impactful. Through advanced UHD picture quality, Samsung QBN Series displays foster an inviting and memorable viewing environment in any indoor setting. Featuring Intelligent Picture Quality technology, they'll convert all your content to UHD-level quality. So whether you employ them in a retail, corporate, hospitality or public setting, everything you display on the 4K UHD screen will be stunning. Text is sharp and crisp. Graphics are highly detailed and smoothly textured. If you're looking to make an impact, you're looking for the Samsung QBN Series UHD displays.

Key Features

4K UHD

UHD for Stunning, Ultra-Realistic Detail

With 3840 x 2160 UHD resolution, each QBN Series display showcases content with four times more detail and clarity than FHD.

Intelligent Picture Quality Technology

Intelligent Picture Quality technology boosts content from any source to UHD-level quality, and optimizes on-screen text and imagery with crisp edges and fine detail.

All-in-One Signage Solution

The embedded MagicInfo Player S6, backed by the powerful Tizen operating system, boosts the display's performance, allows for easy content management and ensures seamless content transition and playback. All without the need for an external signage player or PC.

IP5x Certified and Reliable 16/7 Operation

Dust-resistant design and commercial-level cooling technologies offer 16/7 performance with dependable reliability.

Configure Multiple Displays Seamlessly

Using the HDMI 2.0 option, businesses can easily configure UHD daisy chains up to 2x2 displays in size.

Built-in Wi-Fi

In addition to HDMI 2.0 and DVI connectivity, the QBN series also features built-in Wi-Fi.

Retrieve and Control Content Remotely

Pull content from remote laptops directly through the QBN Series display. Samsung Knox™ secures the Remote Workspace connection.
